

Generate 2023 Student Poster Competition

Clean Energy BC is seeking student applications for a poster board competition for the annual Generate 2023 conference on June 12th and 13th, 2023.

Students have a chance to win a \$500.00 prize.

Students will present their research in a poster board format during the conference to delegates and judges. Poster boards will be set up at various locations on the conference level of the hotel. There are not any formal presentations. Students are asked to be present by their posters, before sessions and during breaks, to answer questions from delegates and judges.

Poster Size:

Easels will display the posters, so the posters should have a core foam or other structured backing and be no bigger than 2' L x 3' H. Please note, size of displayed poster is subject to change, based on space available.

Eligibility:

The winner will be awarded a prize of \$500.00 and will be recognized during an Awards Presentation on the second day of the conference (June 13, 2023).

Both ongoing and complete research are accepted and students within one year of graduation from a program are eligible to apply. Students who participate in the competition will receive complimentary conference registration.

Research Topics:

Clean Energy, Renewable Energy, Alternative Energy, Energy Technology, First Nations Initiatives, Rural Development, Climate Change, and Electrification.

Application Deadline:

Friday May 26, 2023

Competition Location & Date:

Sheraton Vancouver Airport Hotel; Monday, June 12 – Tuesday, June 13, 2023
